Master's student in Human-Computer Interaction passionate about combining creativity and technology to design meaningful digital experiences. Seeking an internship starting March 2027 to apply and further develop my skills in user-centered design, prototyping, and interface development.

WORK EXPERIENCE

- **MAY - JULY 2026**

INRIA - Ex-Situ Team
Gif-sur-Yvette

SUMMER INTERNSHIP

- Participated in the 3-day La Suite Numérique Design-a-thon, redesigning the government's interface using new interaction techniques.
- Worked on organising workshops for the redesign of La Suite Numérique tools.
- Attended weekly design workshops using participatory design methods.
- Reviewed the current version of the DOIT book (Wendy Mackay) and identified areas for interactive video, collaborating on the design of interactive sections.

Figma | Paper Prototyping | Video Editing

- **MAY - JULY 2025**

LISN - Venise Team
Gif-sur-Yvette

MAGISTÈRE INTERNSHIP

- Design and implementation of an early-stage prototype of a music therapy application for post-stroke physical rehabilitation on Meta Quest 3.
- Combination of technical development with research activities : literature review as well as an on-site observation sessions.

Unity | Blender | C# | Meta Quest SDK | Pure Data | XR Interaction Toolkit

- **JANUARY - APRIL 2025**

LISN - Venise Team
Gif-sur-Yvette

RESEARCH INTERNSHIP

- Porting an XR music therapy application from HTC Vive to Meta Quest 3.
- Developing a collaborative mode for two users.

Unity | C# | Meta Quest SDK | XR Interaction Toolkit

- **2024 - NOW**

PARKOURS
Paris

SCHOOL TUTOR

- Providing homework assistance and academic support for primary and middle school students in all subjects.
- Adapting to each student's needs and fostering active listening and pedagogical skills.

EDUCATION

- **2025 - NOW**

University of Paris-Saclay

MASTERS IN HUMAN-COMPUTER INTERACTION

- Design of interactive systems (Advanced & Basic)
- Fundamentals of human-computer interaction, augmented reality
- Advanced web development
- Design project
- Interactive Information Vizualisation

Figma | Blender | Unity | C++/C#

- **2022-2025**

University of Paris-Saclay

DOUBLE DEGREE IN COMPUTER SCIENCE AND MATHEMATICS – CS MAGISTERE TRACK

- Introduction to Human-Computer Interaction
- Advanced programming of Interactive Interfaces
- Web development

LANGUAGES

English - C2 (Linguaskill)
French - Native

SKILLS

- Programming languages: C#, Java, Python
- Web Development: HTML, CSS, Javascript
- 3D/2D/XR : Unity, Blender
- Prototyping : paper, Figma

INTERESTS

Art (acrylic paints, calligraphy)
Guitar (acoustic)
